

Product Data Sheet

Model / SKU: CSLED012-140

Product Name

- Cascada Showers Classic Design 23" x 31" Large Super Luxury LED Shower Set

Product Overview

The Cascada Showers Classic Design 23" x 31" LED Shower Set is a premium recessed ceiling-mounted shower system designed for high-end residential and hospitality bathrooms. Featuring a large stainless steel overhead shower, a thermostatic 5-knob valve, and smart LED lighting with multi-color control, this shower system delivers a luxurious and customizable bathing experience.

What you see in the first image is exactly what you receive: the overhead shower head, 5-knob thermostatic valve, and complete hand shower set.

Brand & Identification

- **Brand Name:** Cascada Showers
- **Manufacturer Part Number (MPN):** CSLED012-140
- **Item Model Number:** HDD901
